

Anglin-Norcross Corporation Limited

and Wholly Owned Subsidiary Companies

ANNUAL REPORT OF THE BOARD OF DIRECTORS FOR THE PERIOD ENDING DECEMBER 31ST, 1944.

TO THE SHAREHOLDERS:

On behalf of your Directors, there is submitted herewith the Consolidated Balance Sheet of your Company showing the Assets and Liabilities at the close of the fiscal period, December 31st, 1944.

Your Auditors, Messrs. Wilson, Birnie and Seymour, Chartered Accountants, have audited the books and accounts and their certificate and report is attached.

Adequate provision has been made for depreciation and contingencies, also estimated allowances for Income and Excess Profits Taxes.

After five years of war and with the construction programme of the Government substantially completed, the volume of construction work carried out by your Company in 1944 was considerably reduced from the previous year and this condition together with continued taxation affected the net earnings.

Under the present unsettled conditions of the world the outlook is difficult to forecast and it may be that our problem during the current year will be to find adequate supplies of materials and secure sufficient skilled labour to carry out the contracts obtained.

During the year 1944 the entire balance of 18,759 shares of Preferred Stock outstanding was called for redemption but the liquid position has been well maintained and investment returns have been satisfactory.

By authority of Supplementary Letters Patent granted by the Department of the Secretary of State of Canada under date of May 24th, 1944, the outstanding "Capital Surplus" was transferred to "Earned Surplus."

Your organization has been well maintained and equipped to carry on work of any magnitude.

The appreciation of the Directors is recorded for the loyal and efficient service rendered by all employees throughout the year.

Respectfully submitted on behalf of the Directors,

HENRY J. GROSS,
PRESIDENT.
